### Geography

Just a reminder that students in Prep - 2 are mapping a personal space at the moment as part of their assessment in Geography. A photograph of their bedroom including all the furniture would be very useful. Thank you to those parents who have already sent in photos for this task.

## P - 2 Classroom news Zig and Zoom

The children received a new classroom pet this week and they are having tons of fun exploring what they have learnt in science with the real thing.

They are learning what these lizards need to keep healthy, happy and safe.

The activity this week was for the children to choose 2 names for our new pets and had to persuade me which name was the best. This is part of their English unit of persuasion. Some great names were discussed and all persuaded me that our lizards should be called whatever it was they chose. So all names went into a hat and Zig (Mace) and Zoom (Natacha) was the lucky winners. Zig and Zoom came out to meet us on Monday where every student was able to pat our new lizards and the way they felt was not what we were expecting. We can't wait for them to settle in so that they can come out and play with us.

The P & C has decided that all monies raised from the Easter Markets & Raffle will be going towards helping fund the school camp. This will allow us to pay half of the required amount per student attending. Please remember that all students can attend camp and therefore we will be requiring as much help on the day of the markets as possible. This money is going to benefit your children.

The markets will run from 8am – 12 noon. The P & C are holding a BBQ and drinks stall, along with an Easter Raffle. We are asking for parents to donate an item for the Easter/Party Hamper prize. There is a laundry basket situated in the office block for donated items.

The P & C Committee would appreciate an hour of your time to help make it possible to send your child/ren to camp. Please fill in the roster below and return to school.
