P - 2 Classroom News

English

The children wrote a great addition to the story of Little Toy Boat. We had an exciting beginning where a Speed Boat crashed a huge wave over the Little Boat and the boat started to sink. They moved into a problem where the Little Boat wasn't going to make it and ended the story where the Little Boat was saved to go back on his way. Well done everyone!

Science

P-2 completed their assignment this last week, where they had to make a wind chime. These will be coming home this week to hang in your lovely gardens. They were well thought out and just loved all the different ideas.

Digital Technology

The children worked well as a team this term, building animals out of the WEDO Lego to code a movement. Everyone was successful in this. Next term we will be exploring the next stage of coding using a program called Scratch Jr. Term 3 will be very exciting.

Please have a very safe break.

See you in Term 3
