Term 2 Week 10

Hello Everyone.

Happy Holidays everyone. We have all worked very hard this term. Looking back on the term we have done some exciting things; Cross Country, Gala Day celebrations, Community Disco, Tucker Time, Brekky Club, NAPLAN, Athletics Carnival, Under 8's Day, the school sleepover and the excursion to Rockhampton to see Andy Griffith's 26 Storey Treehouse. I am sure that the kids take with them many wonderful learning memories.

A special thank you to the FANTASTIC staff at Keppel Sands State School for supporting my leadership at the school. I will miss their enthusiasm, expertise and smiling faces. Best wishes to all of the special children at Keppel Sands State School and their families. I look forward to hearing lots of great stories about their successes in the near future.

New Principal Mrs Moira McKenzie has been appointed as Principal At Keppel Sands State School for next semester. Moira is currently working as Principal at Ridgeland State School. She is an experienced leader and teacher and her areas of expertise are Curriculum and Technology. Mrs McKenzie has worked at Keppel Sands as the Principal about 10 years ago. She is keen to reconnect with the students and community. I am sure she will do a fantastic job leading this beautiful learning community. We have had a chance to catch up with the recent developments at Keppel Sands and I will remain in contact to help in any way I can.
